

RECURRING PAYMENTS MANAGER

Supercharge Your Recurring Payments with RPM

Supercharge your recurring payments service using our new, powerful, easy-to-use RPM (Recurring Payments Manager) service.

RPM gives your business a user-friendly yet robust system to set up recurring payments for your customers. RPM allows you to charge your customers by credit card or electronic check (Automated Clearing House (ACH)). Bill your customers on a weekly, monthly, or custom basis.

Powerful, High-Octane Benefits

- Easy to use, Web-based management of payments
- Robust on-line reporting
- The most flexible timing controls on the market today
- Easy upload from your customer database to ours!

The Customer Reference field lets you record and store your order numbers, product numbers, customer account numbers, etc.

The screenshot shows a web form titled 'ECHONLINE TEST' with a 'Transaction Status' dropdown set to 'Active'. Below this is a 'Customer Information' section with fields for: First Name, Last Name, Company, Street Address 1, Street Address 2, Country (USA), City, State, Postal Code, Phone Number, Email Address, and Email Alert (No). There is also a 'Customer Reference' field and a 'Payment Method' dropdown with radio buttons for 'Credit' and 'Check'. A 'WELCOME! RPM IS READY.' message is at the bottom left, and a 'reset' button is at the bottom right. A yellow arrow points from the 'Customer Reference' field to a callout box.

Would Your Business Run Smoother with RPM?

Any business that bills its customers on a periodic basis or on a payment plan can benefit from RPM. Recurring payments can be used for:

- Health clubs
- Cable television
- Insurance companies
- Collection services
- Subscription publications
- Charities and houses of worship
- Property and equipment rentals
- Educational institutions

RPM

VERIFICATION

on-line reporting

Want Faster Cash Flow? You Need RPM, the Recurring Payments Manager!

RPM, our Recurring Payments Manager, powers your payment processing for subscriptions, memberships, monthly payment plans, monthly service fees . . . almost any type of multiple billing situation.

- Save on invoice processing costs, postage, envelopes, etc.
- No waiting for "checks in the mail"
- More predictable cash flow
- Save on labor costs
- Sensitive payment data stored on secure system
- Reduced risk of human error
- No software to buy

Timing is Everything

RPM controls timing with an easy, intuitive interface. Set it up for any frequency desired. Payments can be scheduled for up to one year.

Robust Reporting
Customers set up on your RPM payment system can be sorted by any field.

Additional Benefits:

- Consumer Friendly - Make life easier for your customers.
- Safe - Data is submitted and reviewed through Secure Sockets Layer (SSL) encryption.
- Secure - Your customer payment data is stored on highly secure *ECHO* computers protected by sophisticated firewall technology and state-of-the-art encryption.
- Scalable - Whether you have a few customers or a few hundred thousand, RPM can powerfully meet your billing needs.
- Robust Data - Both active customers and inactive (past customers) are stored on our system.
